

**MARINE PETROLEUM TRUST
ANNOUNCES FOURTH QUARTER CASH DISTRIBUTION AND EXTENSION OF
TRUST TO JUNE 1, 2041**

DALLAS, Texas, November 19, 2020 – Marine Petroleum Trust (NASDAQ: MARPS) (“Marine”) today declared a quarterly cash distribution to the holders of its units of beneficial interest of \$0.007178 per unit, payable on December 28, 2020, to unitholders of record on November 30, 2020. Marine’s 2019 tax information, cash distribution history, current and prior year financial reports, a link to filings made with the Securities and Exchange Commission and more can be found on its website at <http://www.marps-marine.com/>. Additionally, printed reports can be requested and are mailed free of charge.

This distribution of \$0.007178 per unit is lower than the \$0.044516 per unit distributed last quarter. As compared to the previous quarter, both the volume of oil and of natural gas produced and included in this distribution have decreased. The price realized for oil produced and included in the current distribution has increased while the price for natural gas has decreased compared to the previous quarter. This distribution is lower than the \$0.048759 per unit distributed in the comparable quarter in 2019. As compared to the comparable quarter in 2019, the price realized for both oil and natural gas has decreased. As compared to this time last year, the volume of both oil and natural gas produced and included in the current distribution have decreased.

Marine’s distributions to unitholders are determined by royalties received up to the date the distribution amount is declared. In general, Marine receives royalties two months after oil production and three months after natural gas production.

The prior Restated Marine Petroleum Trust Indenture (the “Indenture”) stated that Marine would terminate on June 1, 2021. In preparing to seek approval to extend the trust by twenty (20) years to June 1, 2041 pursuant to Article X, Section 1(a) of the Indenture, Marine became aware that the necessary approval for this extension of the consent of a majority of the outstanding units of interest was obtained on May 22, 2014 by a consent solicitation filed with the Securities and Exchange Commission when holders of 63.57% of the outstanding units of interest on the record date of March 28, 2014 approved the extension of Marine through June 1, 2041. Less than 1% of the outstanding units of interest were voted against the extension. Since only approval of a majority of the outstanding units of interest was required and not 80% as was believed to be the case at the time of the 2014 consent solicitation, the 63.57% approval authorized the extension of Marine through June 1, 2041. The updated Indenture reflecting the June 1, 2041 termination date was filed with Marine’s Form 10-Q on November 16, 2021.
